Personal Training Contract Terms

Our Personal Training Flexi Contracts offer you a reduced price as a reward for your auto pay commitment.

This contract allows you to attend one Individual 55 min PT session each week. It also gives you access to our online training app (normally \$29/week as a stand-alone product).

If for any reason you or the trainer needs to change the session and 24 hours notice is given, you can rearrange the time within four weeks of the committed day/time.

Because you are a PT member, you are also entitled to:

- 5% off all retail products sold
- 25% of group fitness sessions
- 25% off Recovery Room Bookings
- \$10/week 24/7 access
- 10% off food and drink at Reverence Cafe
- Access to our Member's Facebook Group and Google Recipe drive all the posts/info that goes with it

Two weeks notice in writing is required for cancellation of the PT contract. You can freeze up to four weeks per year *if you are away on holidays* and if you give 14 days' notice in writing via email (or at the trainer's discretion). Minimum freeze period is 1 week in line with your billing cycle. Cost of \$5/freeze for the admin cost. "Year" is in any rolling 12 month period.
